School Rules and Guidelines Associated with This Activity

(Rules and guidelines to be established by the coach/sponsor and school administration)

District Guidelines for Student Activities

Participation in District-sponsored activities and on District athletic teams is a privilege and not a legally protected right. Although students do not possess a legally protected right to participate in extracurricular activities, the District provides students suspended from participation with an informal opportunity to discuss the basis for their suspension.

Hazing Prohibited

I agree that I will refrain from participating in any student hazing activities as a participant or as an observer. I further understand that violation of the District's hazing policy may result in suspension from school and suspension from participation in all activities.

Student and Parent Acknowledgement of the Above Rules and Guidelines

I acknowledge that violation of any of the above rules and guidelines for this activity may result in suspension or permanent removal from this activity or all extracurricular activities depending upon the nature of the violation. I further agree that subject to an opportunity to present the student's version of the alleged violation, the decision of the Superintendent/designee concerning suspension and duration of suspension is final.
