

Discipline**Discipline of Students with Disabilities****Removal from Current Educational Placement for Not More Than Ten Consecutive School Days; Not More Than Ten Cumulative Days Removal for the Current School Year**

A student with a disability who violates the District's discipline policy who has not been removed from the current educational placement for more than ten (10) cumulative days for the current school year may be disciplined for not more than ten (10) consecutive school days in the same manner as other students.

Services will not be provided to the student when the total number of days the students has been removed from the current educational placement is not more than ten (10) days, unless services are provided to children without disabilities who have been similarly removed.

Removal from Current Educational Placement for More than Ten Cumulative School Days

A student with a disability who violates the District's discipline policy who has been removed from the current educational placement for more than ten (10) cumulative days in the current school year may be disciplined for not more than ten (10) consecutive school days in the same manner as other students, if the pattern of short term exclusions totaling more than ten (10) cumulative days does not constitute a change of placement.

On the eleventh day of removal in a school year, the District will provide educational services. If the cumulative removals do not constitute a change of placement, the services to be provided will be determined by school personnel in consultation with the student's special education teacher.

A series of removals from the current educational placement for more than ten (10) days may amount to a pattern of exclusion that constitutes a change of placement. If a student with a disability has been removed for more than ten (10) cumulative school days and the removals constitute a change of placement, or if a school administrator determines that a removal for more than ten (10) consecutive school days is being considered, on the date a decision to make such a removal is made, the parents will be notified of the decision and provided a copy of the IDEA procedural safeguards.

Not later than ten (10) business days after commencing a cumulative removal that constitutes a change of placement or when considering a removal of greater than ten (10) consecutive school days, the District will convene an IEP meeting to develop a functional behavioral assessment plan if one has not previously been conducted. After completing the assessment, an IEP meeting will be held to develop a behavioral intervention plan if appropriate and necessary. If a behavior plan already has been developed, the IEP team will meet to review the plan and its implementation. The plan and its implementation will be modified as necessary.

In addition, not later than ten (10) days after the date of the decision to remove a student for more than ten (10) cumulative days constituting a change of placement or for consideration of a removal of more than ten (10) consecutive school days, the IEP team and other qualified personnel will meet to review the relationship between the student's disability and the behavior subject to disciplinary action.

If a determination is made that the student's behavior was not a manifestation of the student's disability, disciplinary rules will be applied to the student in the same manner they would be applied to a student without a disability, except that a free appropriate public education will be provided to the student as determined by the IEP team.

Long-Term Changes in Placement (Drugs, Weapons, and Serious Injury)

In addition to any other actions consistent with this regulation, District administrators may assign a student to an interim alternative educational setting for a period of time not to exceed forty-five (45) calendar days, when a student with a disability is involved in a disciplinary action involving:

1. Possession of a weapon at school or at a school function; or
2. Possession or use of illegal drugs or sale or solicitation for sale of a controlled substance while at school or at a school function; or
3. A serious bodily injury.

On the date a decision to make such a removal is made, the parents/guardians will be notified of the decision and provided a copy of the IDEA procedural safeguards.

Not later than ten (10) business days after commencing such a removal, the District will convene an IEP meeting to develop a functional behavioral assessment plan if one has not been previously conducted. After completing the assessment, an IEP meeting will be held to develop a behavioral intervention plan if appropriate and necessary. If a behavior plan already has been developed, the IEP team will meet to review the plan and its implementation. The plan and its implementation will be modified as needed.

Not later than ten (10) days after the date of the decision to assign a student to an interim alternative educational setting, the IEP team and other qualified personnel will meet to review the relationship between the student's disability and the behavior subject to the disciplinary action and to determine the interim alternative educational placement.

The IEP team will decide on an interim alternative educational setting that will allow the student to continue to progress in the general curriculum, to receive the services and modifications that will enable the child to meet the goals set out in the student's IEP, and to receive services and modifications to attempt to prevent the student's behavior from recurring.
