

# Job Posting

The Laquey District is accepting applications for anticipated opening of Transportation Director/Mechanic. The Director/Mechanic should have a good working knowledge of mechanics and supervision of personnel. The Director will be responsible for bus and school owned vehicle repair, supervision of employees, DESE reporting, compliance with school transportation law, and state and district policy. Applications and a complete job description are available at the Laquey District Office. Starting pay is \$14.95 per hour, with a benefits package including retirement, health, and life. Please provide application and any supporting materials to the Laquey District Office. Laquey R-V is an EOE. No Facebook or online applications are accepted.
